P. O. Box 395
Dickinson, Texas 77539

Dear Mr. Miller,

On behalf of Crime Stoppers of Houston, we would like to take this opportunity to thank you for your dedication and support in providing search and rescue assistance on numerous child abductions and rapes that have recently occurred in our community. Your efforts to assist law enforcement complement our organization's efforts to solve unsolved criminal cases.

I offer you the gratitude and admiration of all the Crime Stoppers of Houston Board of Directors because as volunteers like yourselves, they know that every hour you contribute to every rescue mission requires an enormous personal commitment and sacrifice. Your professionalism and compassion have and continue to assist crime victims' families in times of great need. Additionally, Texas Equusearch's efforts have resulted in many "finds," bringing closure to families and evidence to prosecutors.

We believe that Crime Stoppers cash rewards and our anonymous tip hotline complement the efforts of the Texas Equusearch and we look forward to a long and successful relationship working with your organization.

Sincerely,

Kim Ogg
Executive Director
