Dear Tim,

I want to let you and your staff know how much we appreciate all you did during our search for Bonnie Duncan. This type of situation requires a lot of hard work by both law enforcement and organizations such as EquuSearch. You did a great job organizing the community volunteers as well as print and distribute the missing person flyers. Again, I thank you for all the hard work and commend you on your dedication to finding missing persons. We will be here for you if you need our help.

Respectfully Submitted,
