

In Memory of Riley Ann Sawyers

*Amazing Grace, how sweet the sound
Now we no longer search for a name for this beautiful girl that was found.*

*As she lie now so sweetly in Jesus' arms
There will be no more pain, there will be no more harm*

*To our Riley Ann, although you can't speak, we pray you can hear
How you've touched so may lives, you are so precious, so dear*

*We did not rest, here nor far
Towards the east or the west, under every shining star*

*Now we know your name and can now see your face,
We are thankful you can now go to a peaceful resting place.*

*Our quest was tireless to find out who you are and how you got here
We pray for your comfort as you no longer suffer in pain and fear*

*As you have journeyed to your new life of eternal bliss
We will stay behind and ask why – for you... we will do this.*

*You can now shine again in a brighter and happier place
And until we see you again, we will never forget your face.*

*Another child taken away much too soon, but a child and flower of God,
May you forever bloom.*
