Dear Carol,

On behalf of Jefferson County Judge Ron Walker, Greg Fountain, Emergency Management Coordinator and our entire CERT Team, we would like to thank you for coming out in April and training our team on ground search and recovery operations.

The response from our team was very positive and many have signed up to assist your operations in the event you are called to Southeast Texas!

Please remember that if you ever need any assistance in our area, we have personnel ready to assist!

Sincerely,

Rachel M Lindsay
